

## Yes, I Want to Support Alice Carlson's PTA and Reserve a 2019 TCU Football Season Parking Pass!

### Reserved Paved Parking Lot

Parking for the Arts is a function of the Alice Carlson PTA. All monies received go directly to supporting the arts and applied learning curriculum of Alice Carlson Elementary School.

Our paved parking area is our premium lot that provides you with a reserved, numbered space on our paved parking lot. Current season parkers are given first opportunity for these spots. You may reserve your same spot each year. Please submit your parking fees by March 31, 2019. Starting April 1, 2019 any unsold paved lot spaces will be open for sale.

If you would not like to reserve a paved spot, you may get a spot on our grass field for \$300.00. These spots are first come first served on location in the lot, but you are guaranteed a spot.

**Read this and sign below:**

I understand that the members of the Alice Carlson PTA are volunteers, each and every one, just out there trying to raise funds for their kids' arts and education programs. I promise to be nice to them especially on those cold and rainy days late in the year. If I'm feeling extremely generous I might even share my hot dogs and burgers with them.

I also agree to hold harmless the Alice Carlson PTA and its volunteers and the Fort Worth Independent School District and its employees from any responsibility for any damage done to me, my vehicle, or its contents or other property related to parking at Alice Carlson Applied Learning Center. I understand that there is no security staff on duty before, during, or after the football games and it is my responsibility to lock my vehicles and keep my valuables out of sight.

I understand that the parking area will be available 3 hours prior to the scheduled game start. FWISD policy and state law prohibits alcohol on school property. I also understand that if I have not arrived at the Alice Carlson parking lot within thirty minutes after kickoff (scheduled game time), then I am not guaranteed a place to park.

I also understand and agree that once payment has been received, neither the donation nor the parking fee will be refunded. In addition, I agree that I am responsible and personal liable for any behavior or damage as a result of my loaning out my pass to another person.
